HEARING CONDUCTED IN STEVENSON DISTRICT

The time of the call he said, was 10 minutes to four, on the morning of May 15. He said that after taking care of details at the scene of the accident, he got Constable Wessel of the Drayton Valley R.C.M.P. barracks and they went north in search of the vehicle that had been involved in the accident. On the way, after they had gone about five or six miles north, they received word on the radio-telephone from the Drayton Valley barracks that the vehicle involved had returned to the scene of the accident and was being held in the Town Hall Garage.

Chief Constable M... also testified that he arrived at the scene of the accident a few minutes after four a.m. He said that the ambulance was there and was just picking up the bodies of Mr. and Mrs. Stevens. He said that later the truck driven by Mr. Cooke returned to the scene of the accident and Mr. Cooke stated that he had been the driver at the time that Mr. and Mrs. Stevens were struck.

Gustav Schmidt who was with the Hutchinsons' and the Cooke's on the evening preceding the accident was the last witness the Crown called upon for testimony. Mr. Schmidt related various incidents both before and after the time of the accident.

The pathologist's report of the examination made in the University Hospital morgue on Mr. Steven's blood was entered as exhibit, but was not read, pending the calling of the jury trial to be held later.

Counsel for the defence stated that they were reserving defence until the time of the higher court trial, and the prosecution stated they would rest the case upon the evidence.

Aggravate Clendenning then stated that having heard the evidence he was satisfied that there was sufficient evidence to send the case to higher court, and he committed Mr. Cooke to stand trial in Edmonton court on Tuesday, September 6, 1960.

Defense counsel pointed out that Mr. Cooke is employed in Drayton Valley and is a resident here and requested that his bail be reduced from the former \$10,000, property bail to a more reasonable \$2,000, property bail. This request the court granted and the hearing was adjourned.

SENIOR BASEBALL

With half the Oilfield Baseball League schedule behind them, the Drayton Valley Senior Ball team has turned in the very creditable record of four wins to one loss.

Providing they can keep to this pace, they are almost certain of a place in the playoffs come July. In fact, many fans who feel that right now the boys are not playing the caliber of ball of which they are capable, feel that with the remaining

Town Manager Resigns

At the last regular Council meeting of the Town of Drayton Valley on Thursday, June 23, the resignation of Town Manager Beatty Cumming was read to the Council. After expressing regrets at the resignation of Mr. Cumming, Council voted to accept the resignation, which will thereby become effective on July 15th.

Mr. Cumming has been in Drayton Valley since 1956 when the Department of Municipal Affairs

appointed him as Secretary-Treasurer of the new Town of Drayton Valley. He was elected Town Manager by vote of the ratepayers in 1957.

His wife, Elva, has been employed in the Town office as secretary and graciously. The Cummings' have built a home in Drayton Valley; their son Jackie, has been to school here. The Cummings' have not announced their future plans.

to other age groups.

No one should spend more than five to eight minutes at the clinic to obtain an X-ray. Thus, if a family is unable to keep its appointment at such time as specified on the appointment card, they are urged to stand

anyway.

The waste of time, effort and money in X-raying only a portion of your community is evident, when you consider the possibility that an active case of tuberculosis might remain undiscovered. Every available person should take advantage of the opportunity to have a FREE CHEST X-RAY.

On the average, out of every thousand people X-rayed one will be found to have tuberculosis. There will be about twenty with other significant chest abnormalities, such as tumors, heart conditions, cancer. All are reported confidentially to the patient, and to his family physician.

Usually tuberculosis in the early stages shows no symptoms but can be discovered by X-ray.

Early discovery means early relief (cont. same page, col. 4)

T. B. Clinic Comes To D. V. July 6

The Free Chest X-Ray Clinic will come to Drayton Valley on July 6th. It will be set up in the Elks Community Hall.

The Mobile T. B. X-ray clinic is offered to the general public in this community in the interest of T. B. control. It is not compulsory and no one is obliged to attend. However it is requested that everyone turn out to the clinic.

Special efforts should be made to see that all food handlers attend the clinic, as well as OLDER AGE GROUPS, teachers, clerks, nurses, janitors, maids, orderlies and all other persons meeting the public. Experience has shown that the age group over 40 makes the poorest showing at the clinic. It is in this age group that the most tuberculosis is found, proportionately

Steve Serenas Wins Trophy For Racing Car

Staff Photo

After winning his run in the St. Albert Soap Box Derby for the second year Drayton Valley's Steve Serenas was named out in the Edmonton races by Richard Skirrow, whom he named out in last year's events to win a trip to B.C. for the Canadian finals last year.

Steve won trophies and other prizes for his win in the St. Albert race. In Edmonton, although failing to qualify for the Canadian finals, he won first place for the "Best Constructed Buggy".

The picture above shows young Stephen with some of the trophies he won, and with the racing car, which he constructed himself, according to the requirements of the Soap Box Derby meet, and for which he won first place this year.

Steve carved the buggy out of two inch planks which he shaped into the sleek little racing car seen in the picture.

District Personalities

Mr. Michael Molner

Michael "Mike" Molner was born in Walker, Saskatchewan, where his father was a farmer. He attended elementary and high school in Walker.

He joined the army in 1939. He served with the Signal Corp, from which he received a medical discharge in 1941.

Following his discharge from the army he returned to his former job as lineman with the C.N.R. Telegraph in Vancouver. He

T. B. CLINIC COMES TO D. V. JULY 6 (cont.)

covery, as the disease responds readily to treatment.

Treatment of tuberculosis is provided free by the Department of Public Health for residents of the province.

Reports will only be sent to those with some significant chest abnormality, in from two to four weeks time. Negative films will not be reported.

Following is the schedule for the Clinic when it comes to Drayton Valley.

Move to: Drayton Valley and set up to commence operations: Date: July 6th. Hour: 2:00 p.m. Location of X-ray Unit: Elks Community Hall. Power Supply: Calgary Power Co. Ltd. Contact: Mr. P. Nebo or General Chairman: Mr. Curt Clausen.

Date: July 6th. Hours of Operation: 2:00 p.m. - 5:00 p.m. To be Examined: 300.

July 7th. Hours of Operation: 2:00 p.m. - 5:00 p.m. To be Examined: 300.

(cont. page 3, col. 1)

He left Vancouver in 1946 and was in Whitehorse, Y.T., working with the Army there, until 1948 when he moved to Calgary.

In 1950 he started his own plumbing business and then moved to Bowmen where he remained in the plumbing business until early 1954, when he came to Drayton Valley, and built the building which houses the present Molner Plumbing and Appliances Ltd. operations.

In 1950 he built Drayton Valley's first private Apartment House, the Wess-O-Wass, named after the combined names of his two daughters. He has contracted plumbing and all allied trade, ditching, over a wide area out from Drayton Valley since establishing his business here.

Mr. Molner married the former Miss Etile Johnson in Vancouver in 1942. They have two children. She worked in Vancouver, then was transferred to Whitehorse when Mike moved there and then to Calgary following his move to this city.

Mr. Molner states that he thinks Drayton Valley is a pretty good town, with many opportunities. He expresses amusement at the prospect the town has made in the six years since he came here.

PUBLIC NOTICE
TOWN OF DRAYTON VALLEY

Notice is hereby given that the Council of the Town of Drayton Valley proposes to pass a By-Law No. 21 of the said Town being a By-Law to amend By-Law No. 91 being the zoning by-law of the said Town.

That By-Law No. 21 authorize the Council to amend By-Law No. 91 as follows:

1. That Section 2, 4 entitled, "Issue of Building Permit" and more particularly clause "b" paragraph "2" of said clause be deleted and the following substituted therefor:

"(a) the payment by the applicant of a minimum fee of \$2.00 for a building permit providing that the Original Development or Building Permit has been taken out. Original Development and Building Permits shall be provided on the payment of a fee of \$10.00 subject to all other regulations governing the construction and development of town within the Town.

2. This by-law shall come into force and have effect immediately after the third and final reading thereof.

Read a first time this 23rd day of June A.D. 1960.

A copy of this By-Law and the Map of the proposed area may be examined at the Town Hall Administration Office during regular business hours.

A Public Meeting will be held in the Town Hall Council Chambers on the 4th August A.D. 1960 at 10:00 a.m. in Drayton Valley, for the purpose of considering any objections, complaints or recommendations pertaining to the said amendment. Drayton Valley, Alberta, 23 June 1960.

Dated at Drayton Valley, Alberta, this 28th day of April, 1960.

W.G. JOHANNESEN,
Secretary-Treasurer.

Gov't to pay \$14,500,000 on Brazeau project

The Alberta government Tuesday entered into an agreement with Calgary Power Ltd. under which it will pay \$14,500,000 to cover the cost of initial stage development at the Brazeau River power project, about 40 miles southwest of Drayton Valley.

The total cost of the dam and its power development is estimated at \$45,000,000.

As well as providing \$14,500,000 the province will provide all land required and will build access roads to the dam site. Authority to enter into the agreement with the power company was given at the last session of the Legislature.

The agreement requires Calgary Power to begin power development by November, 1961, and the company is given five years in which to produce the first electricity.

BARTY DAM
The project will be known as the Big Bend Power Development and

Greaves B.E. Middleweight Champion

The new Empire Middleweight champion, Wilf Greaves, whose ring name is Dick Tiger, of Nig'er in Edmonton gave him the coveted title, is a relative of a number of folks in this area.

Wilf's father and the late Mrs. Tucker, formerly of Drayton Valley, were brother and sister, so Wilf is first cousin to Les Tucker, Danny Bills and Mrs. May Urchyn of Drayton Valley.

Wilf was raised in Estrie, but now makes his home in Edmonton and is referred to by Sports writers as an "Edmonton boy".

The decision that gave young Greaves the title will be talked of looking circles for years to come. Originally referee Johnnie Smith declared the bout a draw; then re-assessed the score cards and declared Greaves the winner by a narrow margin. The return bout, which will probably also be held in Edmonton should draw a record fight crowd.

Adams' Purchase Country Store

The Andy Adams family plan to move to Mellowdale, north the hamlet just north of the town of Barnhart where they will operate a country grocery store.

Mr. Adams was formerly constable for the Town of Drayton Valley. The Adams have lived in Drayton Valley for about three years.

July 20th, Hours of Operation: 7:00 p.m. to 9:00 p.m. To be Examined-300.

..... then after you get the job in the "B" plant as treasurer - what happens?

From Scoop's Notebook

Jim Shortt, recent arrival in Drayton Valley where he is working in the local Royal Bank says he has looked the feminine situation over and feels he will be happy here.

Jim came to Drayton Valley from High River, Alta. A Bachelor, he came originally from Dartmouth, on the East Coast.

.....

We didn't see it personally as we were out of town Sunday afternoon before last, but folks who did see it claimed the Little League ball game between the Havel die district team, in Edmonton, and the local Little Leaguers, played here in D.V. was a hum-dinger.

Where was our sports writer about that time? By the way, anyone like to apply for the position of Sports Writer for the P.N.A? It's not a high salaried position, but you could do your bit for your community and work out that writing urge at the same time.

P.S. The game finished with a score of 8-8.

Lucille and Dennis Moore of Cal Standard, now stationed at Alta, Alta., were recent visitors in Drayton Valley. They were guests of Al and Twyla Gettings.

"Why don't you play golf with George any more?" Pete's wife asked him.
"Would you play with a guy who puts down the wrong score and moves the ball when you aren't watching?"
"No," she replied.
"Neither will George."

the Snapshot Guild

A picture of the bride and groom in the car following the ceremony has become a traditional part of the photographic record.

Summer... and Wedding Pictures

Since this is the season of "moons and honeymoons," we thought a story about wedding pictures would be very appropriate. And we have one for you that we hope you'll like as much as we do.

It's the story of a small wedding - just a family-and-close-friends affair. Since the groom's parents were on a mission in the Middle East, they couldn't be on hand for the wedding - which was probably why the bride decided that a complete picture record was a real "must".

Not only for their own happy memories in the years ahead, but right now for his parents to feel that they had been "members of the wedding," too - pictures were extra important here! So to be sure no picture possibilities would be overlooked, the bride arranged to have three different kinds of cameras cover the wedding story from start to finish.

First, she checked with her bride and groom make an inspiring brother-in-law and was reassured that his own movie camera and action during this season of wedding!

.....

POWER & REWARDS OF KINDNESS

By Mr. R. Wikander, Presiding Minister of the Drayton Valley Congregation of Jehovah's Witnesses.

Many books have been written on the power and rewards of kindness. Kindness has been praised as a fine quality by many philosophers and writers on manners, etiquette and charm. Yet we find that those who rely on these works are often wholly antagonistic to the spirit of God. Their highly polished veneer of politeness and correctness often covers a heart devoid of any warmth or love. Because Jehovah is left out of these worldly discussions of kindness it is no wonder that many persons use kindness to benefit themselves. They show kindness but hope for something back whether it be material gain or the adoration of their fellow men. They use kindness like money to buy what they want. Their motive is wrong.

When we love someone we are often surprised to find how we imitate, seemingly without effort, some of their good traits and qualities. So it is when we love our creator. Unconsciously we will follow the Bible counsel "Become imitators of God" - Eph. 5:1. We will find no difficulty in showing to others the kindness that He shows to us by being kind, by being merciful, by being compassionate, by being benevolent, by being patient, by being friendly, by being hospitable, by being generous, by being considerate, by being gentle, and by being obliging. Kindness is rooted in love. Paul says "Love is patient and kind." 1 Cor. 13:4.

It is a mistake to think that to be kind is to be weak. True kindness is not an easy goingness that overlooks wrong practices. Christians must be firm for what is right in God's eyes, they must insist on obedience to His commandments. Christians cannot condone what is spiritually wrong in the mistaken idea that it is kindness. Persons are not kind when they allow their children to do as they wish. Mistaken kindness has resulted in much juvenile delinquency.

Kindness need not lead to a loss of respect prompting others to take undue advantage of one.

Throughout the scriptures there is abundant testimony that Jehovah requires the love of kindness on the part of all who will gain his ap-

proval: "He hath showed thee O man what is good; and what doth Jehovah require of thee, but to do justly, and to love kindness, and to walk humbly with thy God?" Mic. 6:8. We cannot please God with sacrifice alone. Through the prophet Hosea Jehovah says, "I desire kindness, and not sacrifice." Hos. 6:6. Great sacrifices are made by many on behalf of the Lord yet without loving kindness one cannot prove himself a son of the most high. It is something to think about that Jehovah God has placed loving kindness in this prominent position. Without the motives and manifestation of love one cannot receive a reward from God no matter how great the sacrifices. "If I give all my belongings to feed others, and if I hand over my body, that I may boast but do not have love, I am not profited at all." 1 Cor. 13:3.

To display kindness and love to ones fellow man is a divine requirement. Unless we chart our course from the Bible and put into practice the things we learn there we are wasting our time trying to be a Christian. "Continue to love your enemies and to do good and to lend without interest, not hoping for anything back, and your reward will be great, and you will be sons of the Most High, because He is kind toward the unthankful and the wicked. Continue becoming compassionate just as your Father is compassionate." Luke 6:35, 36.

Beginning his sermon, the preacher said: "Bothers and sisters, you have come here to pray for rain. I'd like to ask you just one question. Where are your umbrellas?"

Temptation may be strong, but it seldom overtakes the man who runs from it.

If you keep your ear to the ground you can pick up a lot of dirt.

It is not an easy goingness that overlooks wrong practices. Christians must be firm for what is right in God's eyes, they must insist on obedience to His commandments. Christians cannot condone what is spiritually wrong in the mistaken idea that it is kindness. Persons are not kind when they allow their children to do as they wish. Mistaken kindness has resulted in much juvenile delinquency.

Kindness need not lead to a loss of respect prompting others to take undue advantage of one.

Throughout the scriptures there is abundant testimony that Jehovah requires the love of kindness on the part of all who will gain his ap-

THE SINGING CALICOATS

The Singing Calicoats constitute a quite unusual family. Oldest in the family of 10 are the four girls, Naomi, 21, Sherry, 20, Mary, 19, and Sally, 17. The next six children are all boys. The group of singers comprises the four girls and their father, Ed Calicoat, who plays the electric guitar and sings in accompaniment to the girls. Their home is in Baldwin Park, California. They are members of the Hollywood Christian Church which meet in the famous Knickerbocker Hotel, Hollywood.

They have appeared in many large and well-known churches and over T.V. Among the larger churches they have sang in are the Hollywood Baptist Church, the Hollywood Presbyterian Church, the Los Angeles Church of the Open Door, Orlando, Florida, First Methodist Church, the Will Rogers Auditorium, Fort Worth, Texas, and in hundreds of other churches all over the States and Canada. They have also appeared

were so well received they have been asked to return, which they will do for a five-day session of singing, starting Tuesday, July 5th and closing Sunday, July 10th. They will sing each night except Saturday.

While in Calgary having a meeting in a church there they sang over T.V. marking the first time that gospel singers have ever appeared over T.V. in Canada.

The group specializes in southern spirituals, and the old gospel songs and hymns that have been loved for many years throughout all churches of all denominations. Loren Wisney, organist for the Billy Graham Crusades, and accompanist for the greatest spiritual performances on television and radio, and organist in auditoriums and churches throughout the world, has this to say of the Singing Calicoat family: "Such wonderful harmony and blend is hard to find in this day of rock and roll, progressive, jaz, and spiritual singing without spirit." "Some of the sweetest singing we've ever heard" added Roy Rogers and Dale Evans.

ed at numerous State Fairs throughout the U.S. The group recently closed a week of singing in Canby Pentecostal Tabernacle in Edmonton, and

HOMEBUILDING

Up until 1957 all loans made for homebuilding were made by what are called approved lenders. That is, the money was put up for homes by banks, insurance companies, trust and loan companies and these loans were approved and guaranteed under the National Housing Act. The direct lending by the government was limited to very few residual loans. In 1955 there were 14, in 1956 - 54, in 1957 our government to build and individual homeowners on homes of particular specifications. In this way the government made direct loans to over 20,000 homes in 1957, over 35,000 in 1958 and 1959. This program allowed the government to stimulate homebuilding during the recession of 1957. It also gave to builders in our smaller towns the fair opportunity to get building loans. This of course took a lot of money....\$900 million in three years as compared to \$100 million over the previous five years.

Now we come to the present. The government raised the allowable interest rates to 5 1/4% to encourage the approved lenders back into homebuilding. The government has also said that for this year \$175 million would be available from government funds and that this would be made available under income limitations. These limitations are for those whose incomes are under \$5,000 and apply only to the direct loans of the government through C. M. H. C. These limitations do not apply to loans from approved lenders. Nor do they apply to loans for homebuilding under Part III of the Veterans Land Act.

In the rural areas and in towns under 5,000 population, there was very little H. M. H. A. homebuilding done prior to 1957 because the approved lenders would not go out into the smaller towns. In 1957 with the direct loans to builders in smaller towns and increased loans to homebuilding generally we have had a marked increase in homebuilding in our towns.

With the new regulations the income limitations for direct loans are as follows: To qualify for a C. M. H. C. loan, the gross annual income of the applicant must not exceed \$4,000 for families of up to two children, \$5,200 for three-child families, \$5,400 for four-child families and \$5,600 for families of five or more children. Gross income includes the applicant's earned income together with any investment income or pensions he and his wife might have and 20 per cent of the wife's earned income if she is employed. Family allowances payments are not considered a part of a wife's income.

If income practices a direct loan prospective homeowners should apply to their insurance company.

DINING ROOM OPENED

Drayton Valley Hotel Dining Room opened quietly without public announcement last Monday. The room has been closed for some three months for alterations in conformity with regulations of the Alberta Liquor Board. It is expected that the cocktail lounge will be opened soon. It is ready to start serving liquor as soon as approval of the set-up is given by the Liquor Board inspectors.

The dining room will seat about 130 persons, at tables seating four and six. Colors throughout are beautifully harmonized. The ceiling lighting is indirect lighting, and is decorated with circular or designed ceiling pendants. Carpeting is pale chamois, with a reddish-brown modernistic design. The west wall of the room is decorated with brown finished wainscoting. Room entrances are finished in Philippine mahogany.

A large planter box on the east wall sets off the decor very well.

A completely new air-conditioning system has been installed throughout and on the west wall the room is very cool and comfortable.

The dining room was utilized on its opening day by the Oil Wives who had their last dinner meeting until the opening of the fall season, in the dining room on Monday evening.

CHILDREN'S PARTY, July 2.

A children's party is being put on in the Curling Rink this coming Saturday evening, July 2. The party is sponsored by the D.V. Elks Lodge. All children are invited. Refreshment free.

A visitor to a small parish in Scotland was collecting subscription for the erection of a fence around the local cemetery. Everyone gave something with the exception of McTavish. Later, the vicar asked why he refused.

"What?", replied Mac. "I don't see any use in a fence around a cemetery. Those that are in there can't get out. And them what's out sure don't want to get in."

D.V. Highlights

F. Edith Deby

Mr. and Mrs. Halmer Johnson were Drayton Valley visitors last Thursday.

Mrs. Lila Borge, well known here, will spend the summer visiting members of her family in Saskatchewan and Manitoba.

Mr. and Mrs. Wallace Nordby have purchased a lot east of the Hospital in Drayton Valley and will move from their farm at Easyford as soon as their new house is ready.

Mrs. Lynne Nelson and family will join Mr. Nelson in Swan Hills when school is out.

Mrs. Walter Krause, chief librarian, and her assistants had a busy evening last Saturday cataloging the dozens of new books recently purchased.

By the way, we noticed some really good looking horse stories for children among the recent arrivals.

Literary Hour, during the summer months, will be from 7:30 to 9:00 on each Tuesday evening.

LADIES' AUXILIARY

The newly organized Ladies' Auxiliary, Drayton Valley Branch #288 recently held its regular monthly meeting.

Of special interest was the announcement of the coming Men's Senior Baseball Tournament sponsored by the Legion, to be held in Drayton Valley on July 8th and 9th. Oppositely elite teams from various parts of the country are expected to enter. Concession booths on the ground will be handled by the Ladies' Auxiliary. Dances on Friday (8th) and Saturday (9th) evenings will be held in the Curling rink. A special invitation

is extended to each and every one to attend the games and dances on these two days..... July 8th and 9th.

The Ladies' Auxiliary to the Canadian Legion..... Alberta Provincial Command is offering a number of \$100. scholarships to eligible children of Ex-Service Personnel to assist in advancing their education beyond Grade XII by attending a University in Canada, the Alberta Provincial School of Technology and Art, an approved Business College or School of Nursing in Alberta, during the term 1960-61. Completed details and application forms should be mailed on or before August 15, 1960. Last year nineteen scholarships were awarded. Further information on these scholarships can be secured from the Ladies' Auxiliary of the Legion. We do urge you to contact us promptly if you have an eligible member of your family who wishes to apply for this Bursary as all necessary details must be forwarded to the Command as quickly as possible.

HIGHWAY CRASH CLAIMS ONE LIFE

Excessive dust conditions on Highway 57 claimed another life last Friday when Carl Badick, 19, of Violet Grove, was instantly killed in a car crash that completely demolished both vehicles. A passenger with Mr. Badick in the car, Miss Mary Froehner, 17, of Helder, Alberta, was seriously injured.

Driver of the other car, Ronald Fuhr, 20, of Drayton Valley, was also seriously hurt in the collision. The accident occurred shortly after 4:00 p.m., Friday, July 8th, four and a half miles north of Drayton Valley, about half a mile north of the Rocky Rapids-Esplanade corner.

The two traffic victims were rushed to Drayton Valley Municipal Hospital where they were given immediate aid, following which they were rushed by Drayton Valley Ambulance to University Hospital in Edmonton, with a police escort from the junction of Highway 57 and 16 on into Edmonton.

The car driven by Mr. Badick was going north and the car driven by Mr. Fuhr was travelling south, at the time of the accident. One of the cars at the scene immediately

after the accident was that of a man employed with a local oil company. He had a radio-phonograph in his car and he was listening to the R.C. hasards hate, telling them of the accident.

Both Miss Froehner and Mr. Fuhr were reported by attending physicians to be in serious condition. Both had many cuts and bruises and facial lacerations. Both had received broken legs in the accident. Ronald's leg was in quite bad condition from a compound fracture. However, both were taken off the critical list over the week-end, and they are both reported to be making a satisfactory recovery. Grafting is being done from Mr. Fuhr's thigh to his leg.

Funeral services from Mr. Badick were conducted Tuesday afternoon from Drayton Valley United Church.

C. BADICK FUNERAL

Funeral services for Carl Badick, of Violet Grove, who was killed

in a two-car collision on Highway 57 four miles north of Drayton Valley, Friday afternoon, July 8th, were conducted from Drayton Valley United Church at 2:00 o'clock, the afternoon of Tuesday, July 12th. With the regular minister, the Reverend Albion Wright on vacation at the time, the funeral service was read by supply minister Rev. Brian Gee.

Surviving the deceased young man are his mother, Mrs. Eva Badick, his father Mr. George Badick, two brothers, Richard and Roger, and a sister-in-law, Mrs. Lucina Badick, all residing in Violet Grove, as well as other relatives in other parts of the country.

Mr. Badick was employed in Evansburg for the Evansburg Creamery and was returning there when he was killed. Park Memorial Ltd. had charge of the funeral arrangements. Interment was in Drayton Valley Cemetery.

The large number of people who attended the funeral and the large amount of floral tributes testified to how well-loved and well-liked the young man was.

District Personalities

Photo by Cur's Studio

Mr. Earl Thompson

Earl Thompson was born in Wren, Virginia. His parents brought him to Alberta as a baby immediately after World War I. The Thompson family came to Rocky

Mountain House, where the elder Mr. Thompson had taken out a homestead in 1906, proved it up and then had returned to the U.S. After returning permanently to the Rocky Mountain House district Mr. Thompson Sr. engaged in farming and as a lumber contractor.

There were nine children in the Thompson family. Mr. Thompson Sr. passed away in Rocky Mountain House last year at the age of eighty; Earl's mother still lives there.

Earl attended public school in Rocky Mountain House and then went to High School in Red Deer.

The Depression years of the mid-thirties saw Earl with a partner, spending the winters in the Brazeau River district. In the vicinity of the present dam, running trap lines. Mr. Thompson spent the winters from 1938 to the year 1939, when the war broke out, in the remote Brazeau district trapping. They established four permanent cabins along the river on the south side of the Brazeau. It was a hard four-day hike from Rocky Mountain House to the first cabin, with a heavy pack. Of course, no furs or luxuries were carried in, only a barrel of necessities, salt, tea, a little flour and sugar, ammunition, etc. From there on, for about six months they lived entirely off the country, which abounded with game and fur-bearing animals of all kinds.

He served with that section of the army for service and he joined the R.C.A.S.C. and was later transferred to the Special Investigation Section. Provo Co. Co.

He served with that section of the army for service and he joined the R.C.A.S.C. and was later transferred to the Special Investigation Section. Provo Co. Co.

Photo by Cur's Studio

This picture, taken a short time after the tragic accident shows the position of the two cars following the accident. The picture was taken from the south-west side of the road. The car on the right is the Badick vehicle and the one on the left side of the picture is the Fuhr automobile. The trucks and automobiles lined up behind are waiting for the road to be cleared.

LIONS' RODEO JULY 29-30.....
